Corrib Pub Restaurant

Welcome customers, friends and neighbors. We thank you and appreciate your continued loyalty over the past 20+ years. In December, 1988, Martin, Angela, Hughie, and Mary Bligh purchased P.J. Cronin's and started doing business as the Corrib Pub and Restaurant. Since everyone asks, the name Corrib (pronounced COR-rib) comes from a lake in the Galway region in the west of Ireland, Lough Corrib.

West Roxbury is not only where we operate our restaurant, but it has also been our home for the past 40 years. We are very proud to conduct business in this great community and we assume an active role in activities throughout our neighborhood.

In 1992, we started our annual Corrib Classic 5K Road Race, which has grown from a modest beginning to become one of the most talked about races of the year. We are proud to have raised over \$840,000 dollars for local organizations such as the Roche Family Community Center, St. Theresa's C.Y.O., the Holy Name Parish Center, and a host of Parkway youth sports programs. Taking place on the first Sunday in June, this fund raising event has evolved into a huge Block Party, where neighborhood residents come together to celebrate everything that makes West Roxbury such a great place to live and work.

This spirit of giving back to West Roxbury is the essence of the Corrib and its employees. We are proud of our place in the neighborhood and we are looking forward to serving you, our friends and neighbors, for generations to come.

Thank you,
The Bligh Family
